

Explain in your own words, that the services specialty pharmacies provide to you and your doctor are not available from commercial pharmaceutical manufacturers, nor most local pharmacies.

We value our relationship with you, and want to continue to provide service to men and women who need it, regardless of where they live, and without government intervention. Thank you for helping us stand up for your right to choose where and how you get the medication you need.

If you have any questions, please call me at 1-800-888-9358 ext. 128.

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments:

I DO NOT BELIEVE COLLEGE PHARMACY OR ANY OTHER PHARMACY SHOULD BE RESTRICTED ON AMT. SHIPPED TO ALL STATES. THERE ARE VERY SICK PEOPLE LIKE MYSELF THAT DEPEND ON COLLEGE PHARMACY FOR OUR ILLNESS

98N-1265

I HAVE M.S. And I need my medication
it is very important to me it makes
the difference of being IN PAIN IN BED
and being able to function and try
to enjoy some quality of life, that I
am able to do, OR I should say I'm
limited to do.

I believe if the FDA was more
interested in the meds. that help people
instead of SO MANY useless DRUGS
like TANNING PILLS - Diet PILLS etc.
These meds. you want to stop
us from using help us sick people
to function, and you can bet if someone
from the FDA needed some meds.
because of a disease symptom they
would make sure they received it.
THANK YOU for your time. Please
consider us sick people and the
problems we endure every day
Please let compassion rule your
judgement and TRUST IN THE PHARMACY.
College PHARMACY has been the best

company I've ever
Dealt with.

Thank you
again
